Doug Condra to Moderate HDX Panel Discussion at 2002 CFS Executive Conference

Doug Condra, Publisher and Editorial Director of *Heavy Duty Trucking* Magazine (Newport Publications), will lead a panel discussion on the startup and success of HDeXchange, Inc. (HDX). The session will begin at 8:00 am on Wednesday, May 1 at the Council of Fleet Specialists' Executive Conference in Las Vegas, Nev. The panel will include individuals representing Boone Parts & Service, Chicago Rawhide and Haldex Brake Parts.

Doug Condra

Condra is a 30-year veteran of reporting on the trucking industry and is known for his incisive editorials in *Heavy Duty Trucking*. In addition to the panel discussion, General Manager Edward Kuo will give an update on the industry's progress with HDX. Business system providers, Karmak and AutoPower, will also present on their latest software modules conforming to the HDX system.

Call HDX Directly to Schedule Your HDX One-on-One Conference in Las Vegas

Whether it's between meetings, over a meal, or during your open meeting time slots during the CFS Executive Conference, plan on visiting with

the HDX staff to discuss your current and future electronic commerce plans. Find out how HDX can help you achieve your goals through our Store-and-Forward and Data Warehouse services.

HDX's meeting room will be assigned at the conference, but you can pre-schedule appointments or discuss your availability by contacting HDX by phone or e-mail.

New Pricing Begins on March 16—Sign Up and Save on HDX Services!

Store-and-Forward setup prices will increase from \$500 to \$1,000 beginning on March 16, 2002. Additionally, monthly service fees will increase to \$100 per month. This change will take place for the month of April.
